The Workforce Center, established in 2013, is powered by Saint Louis University's tradition of excellence to deliver premier, virtual, instructor-led technology training to the modern workforce. We offer hands-on technical training in the form of short courses, certification bootcamps, and certificate programs in a variety of subject matters. All courses are led by industry professionals who bring real-world knowledge, experience, and examples to the classroom, so you can learn from the experts.

Day Classes typically run 9 a.m. – 4:30 p.m. central time, consecutively.

Night classes typically run from 5:30–8:30 p.m. central time, 2 nights a week.
