

8TH ANNUAL CYBER SECURITY SYMPOSIUM

WEDNESDAY, MARCH 15, 2017

SAINT LOUIS UNIVERSITY

CYBER SECURITY SYMPOSIUM 2017

Hacking at the Global Level: Tactics, Techniques and Procedures

Join us on Wednesday, March 15th for the 8th Annual Cyber Security Symposium sponsored by SLU's School for Professional Studies! Enjoy sessions exploring weaknesses and entry points for attacks, ransomware, and hacking motivations. Then participate in a panel discussion on the future of Hacking Tactics, Techniques and Procedures. And don't miss the opportunity to network with your peers in the industry at our Happy Hour!

KEYNOTE SPEAKER: Colonel Brandon Pearce

Chief Information Security Officer at the National Geospatial-Intelligence Agency
Col. Pearce directs over 50 military, government civilians and contractors safeguarding information and information systems from threats while supporting the Agency's need to conduct secure and effective operations. [Read more...](#)

Chris Konrad

Cybersecurity Engagement Manager at World Wide Technology
Chris provides leadership for WWT's cybersecurity practice and works with global business development, sales and professional services. [Read more...](#)

Aaron Dellamano

Senior Security Engineer at SpearTip
Aaron trained members of the U.S. Cyber Command on advanced persistent threat capabilities, instructed web application penetration testing and trained on the security maintenance of supervisory control. [Read more...](#)

Vinny Troia

CEO at Night Lion Security
Vinny is both a Certified Ethical Hacker and a Certified Computer Hacking Forensic Investigator. He is an expert in website/network security and digital forensics investigations. [Read more...](#)
