

EXHIBITOR PROSPECTUS 2017

The School for Professional Studies will host the **1ST ANNUAL PM IT SUMMIT** on Thursday, October 12, 2017 at Il Monastero on Saint Louis University's campus. Saint Louis University, a leading research institution of higher learning, presents its first-ever half-day conference addressing the pressing and entwined strategic issues of cyber security and project management. Join senior PM and IT professionals sharing insights and experiences on current and emerging issues as well as corporate solutions – all facilitated by leaders from across the industry. For more information on sponsorships, please contact SLU's Workforce Center by calling **314-977-3226** or emailing PMSummit@workforcecenter.slu.edu.
